## Summer Fun at Libraries

- **Pop Up Libraries:** Santa Monica Public Library brings services to the beach, including a seaside story time and reference and instruction services with mobile Wi-Fi hot spots, fitness classes and ukulele lessons
- **Bicycle Stops:** In Iowa, libraries are opening their doors to cyclists in the annual cycle race across the state. Cyclists can stop by to cool off, access Wi-Fi and pick up a paperback.
- **Gardens:** The Library Farm at Northern Onondaga Public Library in Cicero, NY provides garden plots to the community, supplies food pantries, offers programs on sustainable gardening and hosts an insect hotel.
